From the CEO's Desk

A quote that I heard recently rang true for me when I heard it. The person said, "Alone, we make ripples. Together, we can make waves." Another principle very similar reads, "Two can accomplish more than twice as much as one." I believe the Community Foundation made progress this year by making waves and working in cohesive partnerships with others.

As I read through this summer's newsletter, I am once again reminded of the multiple connections that exist through the Community Foundation. In just the past twelve months, we have corresponded with over 1,100 donors, worked with 20 different scholarship committees, built ongoing relationships with over 100 scholarship recipients, held regular monthly meetings with 25 board members, awarded grant distributions to over 75 nonprofit organizations, hosted family-friendly community events with over 600 attendees. The list of relationships goes on and on and on.

By leveraging the talents and resources of all sectors – public, private and philanthropic – we can make an impact in Fountain County at a scale and level of effectiveness that none of us could achieve on our own. By uniting the passion and commitment of donors, community members, and nonprofits, we can create sustainable solutions that will continue to change lives for years to come.

In this newsletter, you will see how the Community Foundation and our partners worked in, with, and for, the community, making waves and working together to take on some pressing challenges. I invite you to learn more about our work, our partners, and our stewardship of charitable funds and legacies.

Join with us in making an impact and building Fountain County together.

Have a great summer!

New Funds

The endowment funds listed below have recently been established by local organizations and/or caring citizens. Any individual, business, or organization can establish a fund and/or contribute to an existing fund at any time.

Donations made to these endowment funds are invested and a portion of the earnings are used to award grants to community organizations and/or to award scholarships to students for their post-high school education. Donations can be made in a variety of forms including gifts of cash, stock, real estate, life insurance, and charitable bequests.

Endowment funds can be established in honor or memory of loved ones for as little as \$1,000. Payouts from endowment funds begin when the fund has reached \$10,000 and has been invested for one full calendar year.

Here is a listing of the most recent endowment funds established through the *Western Indiana Community Foundation*.

Jeff “Chappy” Chapman Scholarship Fund

Friends and family of Jeff “Chappy” Chapman have worked with the Foundation in making this scholarship available to former graduates of Covington High School who will be full- or part-time college students. The purpose of the scholarship is to assist students that are pursuing a vocational/ industrial trade career pathway, such as welding, auto mechanics, or the like.

Jeff W. Chapman passed away unexpectedly, at the age of 45, on February 16, 2009.

Contributions to this fund are tax deductible and can be made online at www.wicf-inc.org or mailed to: *Covington Community Foundation, ATTN: Jeff “Chappy” Chapman Scholarship Fund, P.O. Box 175, Covington, IN 47932-0175.*

TM & LR Memorial Medical Scholarship Fund

Generous friends of the Foundation are making this \$4,000 scholarship available to former graduates of Covington High School who will be entering their sophomore year of college. The purpose of the scholarship is to provide one-time financial assistance to students in the following Health Professions: Medicine, Nursing, Pharmacy, Physical Therapy, or Optometry.

Contributions to this fund are tax deductible and can be made online at www.wicf-inc.org or mailed to: *Covington Community Foundation, ATTN: TM & LR Memorial Medical Scholarship Fund, P.O. Box 175, Covington, IN 47932-0175.*

Fountain County 4-H Council – Fairgrounds Capital Improvement Fund

The 4-H Council has established a pass-thru fund with the Community Foundation for the purpose of making improvements to the community building at the Fountain County 4-H Fairgrounds. Members of the Council have recently begun to raise funds to upgrade the restrooms, refresh parts of the concession/kitchen area, and make other updates to the building. On the exterior, they hope to improve the drainage and expand the parking area. The Foundation will be processing all donations for this project

Contributions to this fund are tax deductible and can be made online at www.wicf-inc.org or mailed to: *Western Indiana Community Foundation, ATTN: Fountain County 4-H Council – Fairgrounds Capital Improvement Fund, P.O. Box 175, Covington, IN 47932-0175.*

New Funds (Continued from page 17)

Mound Cemetery (“Lower Mound”) Association Fund

Mound Cemetery has served as a final resting place for area citizens since 1844. Also known as Lower Mound Cemetery, it is located on Old State Road 63, north of Perrysville and a few miles west of Covington, in Highland Township, Vermillion County, Indiana.

In 1923, a cemetery association was formed and Stephen Grant Wright was elected president. Wright was the owner of Tree Spring Farms at the time. Charles Peyton worked for Wright and he was sent on assignment, just down the road from Tree Spring, to do work and platted the cemetery in 1929-30.

Lower Mound Cemetery is a nice, quiet county cemetery, surrounded by fields and is the currently the final resting place of nearly 950 interments. There is a large amount of area history and countless personal memories – of family, friends, husbands, wives, and children – contained in Lower Mound Cemetery with burial sites still available.

Daily upkeep and ongoing maintenance are required to care for the cemetery to combat deterioration by preserving, beautifying, and maintaining abandoned or deteriorating graves and for the care and replacement of trees, flowers, shrubbery, etc. Also, the fund will assist in providing an educational benefit to the general public and promote appreciation for community history by maintaining, repairing, and restoring monuments, headstones, and grave markers of historical or architectural significance.

Contributions made to the Lower Mound Cemetery Association Fund will provide support for the long-term care of the cemetery from the earnings of the endowment fund. Donations may be made online at www.wicf-inc.org or mailed to: *Covington Community Foundation, ATTN: Lower Mound Cemetery Fund, P.O. Box 175, Covington, IN 47932.*
