# DATES TO REMEMBER

## 2020

**NOVEMBER 12-18 – COMMUNITY FOUNDATION WEEK**, created in 1989 by former president George H.W. Bush, recognizes the important work of community foundations throughout America and their collaborative and innovative approach to working with the public, private, and nonprofit sector. Annually, Community Foundation Week coincides with National Philanthropy Day on November 15.

**NOVEMBER 15 – NATIONAL PHILANTHROPY DAY** is both an official day and a grassroots movement. Every year since 1986, when President Ronald Reagan first proclaimed November 15th as National Philanthropy Day, communities across the globe have celebrated by hosting events to recognize activities of donors, volunteers, foundations, leaders, corporations, and others engaged in philanthropy (“the love of humankind”).

**DECEMBER 1 – GIVING TUESDAY**, often stylized as #GivingTuesday for purposes of hashtag activism, refers to the Tuesday after Thanksgiving in the United States. It is a movement to create a national day of giving at the beginning of the Christmas and holiday season. Giving Tuesday was started in 2012 as a response to commercialization and consumerism in the post-Thanksgiving season (Black Friday and Cyber Monday).

**DECEMBER 31** – Last day to make year-end gifts for 2020 tax purposes. Start planning now!

## 2021

**JANUARY 1** – The online application process for all Foundation scholarships begins. For details go to: [www.wicf-inc.org](http://www.wicf-inc.org).

**MARCH 1** – Deadline for all Foundation scholarships.

*If you are sponsoring/hosting an event that benefits one of the 100 endowment funds managed by the Foundation, please contact us. We would LOVE to help promote the event. Send your event information to: [info@wicf-inc.org](mailto:info@wicf-inc.org).*

## FROM THE CEO'S DESK

Dear Friend,

First, I want to say, “THANK YOU.” Your faithful support is greatly appreciated. We are especially grateful for all gifts, from one-time donors to those who have given loyally over the years. We realize in today’s world more pressures than ever before are being exerted on financial resources. While we very much appreciate the importance you have placed on making charitable gifts, we realize this is only one place among many in which you can give.

In spite of the Covid-19 pandemic, you will see on the following pages that we are continuing to support the needs within our communities such as: youth programs, leadership training and development, recreation and tourism, education and scholarships, community facilities, senior citizen activities, historic preservation, and arts and culture.

Like many organizations and businesses, we are doing our best to manage the Foundation during the pandemic. Our office is open to the public, but for safety purposes we are encouraging visitors to wear a mask and sanitize their hands upon entering the building. We love seeing you!

Due to enhancements in technology, much of what we do on behalf of our communities can be done online. We have held numerous board and committee meetings and have led leadership trainings through virtual conferencing in the past eight months which has assisted us in continuing to move the Foundation and our communities forward. Organizations have the benefit of completing their applications for grants online, and students have 24-hour access to fill out scholarship applications. Also, with the click of a few buttons, friends of the Foundation can make charitable donations online at [www.wicf-inc.org](http://www.wicf-inc.org). You can also find useful information on our social media pages at Facebook, Instagram, and Twitter.

All staff continue to be available by phone at 765-793-0702 or by email at [info@wicf-inc.org](mailto:info@wicf-inc.org). Your Community Foundation directors and staff are determined to continue to serve the charitable needs of Fountain County. Please feel free to contact us if you have any questions.

Once again, just as I began this column, let me conclude by simply saying “THANK YOU” for your ongoing partnership with the Community Foundation. You are a blessing to thousands!

All my best,

Dale A. White  
Chief Executive Officer

COMMUNITY FOUNDATION**

# NEW FUNDS

The endowment funds listed below have recently been established by local organizations, businesses, and/or caring citizens. Any individual, business, or organization can establish a fund and/or contribute to an existing fund at any time.

Donations made to these endowment funds are invested and a portion of the earnings is used to award grants to community organizations and/or to award scholarships to students for their post-high school education. Donations can be made in a variety of forms including gifts of cash, stock, real estate, life insurance, and charitable bequests.

Endowment funds can be established in honor or memory of loved ones for as little as \$1,000. Payouts from endowment funds begin when the fund has reached \$10,000 and has been invested for one full calendar year.

Here is a listing of the most recent endowment funds established through the *Vermillion County Community Foundation*.

## YALE & ORTHANNA YAGER SCHOLARSHIP FUND

Yale and Orthanna Yager have established a new endowment fund to benefit students who graduate from South Vermillion High School.

Raised in Nebraska, Yale received his college degree in chemical engineering from Iowa State University and his MBA from Indiana State University (ISU). While working in Terre Haute, he met his soon-to-be wife, Orthanna Myers, who attended St. Berniece schools through 11th grade and attended Clinton High School her senior year, from which she graduated. Soon thereafter, Orthanna spent two years taking secretarial courses at ISU.

Yale spent the earliest part of his career working in Terre Haute at Commercial Solvents Corporation and Velsicol Chemical Corporation prior to closing out his 21-year career at Eli Lilly - Clinton while Orthanna served in administrative assistance at ISU for 20+ years with an intermittent break to raise their two daughters.

While finding time to work and raise their family, Yale and Orthanna have found time to serve their community in a variety of ways. Yale is a member of the Clinton Optimist Club, former board member of Valley Professionals Community Health Centers and a current board member of Union Hospital Foundation - Clinton. He also served as former President of the Board of Trustees at the Clinton Public Library. Orthanna is an active member of Wayside United Methodist Church where she serves as pianist, is a former children's Sunday School teacher, Treasurer of the Eleanor Circle of United Methodist Women, an active member of the ladies quilting group, and formerly served as church treasurer for seven years. She is also currently an active participant in the Vermillion County Extension Homemakers and a former leader in both Girl Scouts and Job's Daughters.

They both enjoy some relaxing time where Orthanna likes to quilt and take walks. In addition, she and some friends started a little band which is called the 'Note-Able Evenings'. According to Orthanna, "We are so named because we are all in the "evenings" of our lives. The original group consisted of myself on keyboard,

a mandolin player, and a bass player. We do volunteer performances at local nursing homes and occasionally for church gatherings. The group grew to include a guitar player, two vocalists and a drummer. Unfortunately, we have been unable to pursue the group since mid-March due to Covid-19 restrictions at nursing homes but will hopefully resume the group when this pandemic is under control.” Yale does a little bicycling, having participated in the Ride Across Indiana (RAIN) a few years ago. He likes walking and reports that he has run four full marathons and numerous mini-marathons over the years.

Yale and Orthanna are the proud parents of two daughters, Melanie Yager and Kristy (Lou) Bonomo, and have six grandchildren.

This scholarship is for the benefit of worthy students who graduate from South Vermillion High School. One scholarship will be awarded each year with selection priority given to applicants who have achieved a 3.5 minimum grade point average and will be receiving an Academic Honors Diploma. Applicants must also be able to exhibit a financial need as determined by the FAFSA (*Free Application for Federal Student Aid*) or similar.

Donations to the Yale & Orthanna Yager Scholarship Fund may be made online at: [www.wicf-inc.org](http://www.wicf-inc.org) or mailed to: *Vermillion County Community Foundation, ATTN: Yale & Orthanna Yager Scholarship Fund, PO Box 532, Clinton, IN 47842.*
